ZOOLAB RANGER VISIT

Wednesday 23rd November

On Wednesday Reception and KS1 children will be getting together at the Atworth base for an activity day.

The children will be treated to a visit from Zoolab Ranger Georgie. This visit will fit in perfectly with our science learning about seasonal changes and living things.

The cost of the visit has been heavily subsidised by the class WOW day budgets which are generously provided by the PTA and we are requesting a voluntary contribution of £2 (£1.50 for a second sibling) towards the cost of the visitor.

Full details, including a reply slip, are attached and it would be really helpful if forms and contributions could be returned to the school by Monday 21 November.

Dear Parents and Guardians

Zoolab Ranger visit - Wednesday 23rd November 2016

On Wednesday 23rd of November the FS2 and KS1 children will be getting together at the Atworth base for an activity day.

We will be preparing for Christmas with some craft activities in the morning and in the afternoon the children will be treated to a visit from Zoolab Ranger Georgie. This visit will fit in perfectly with our science learning about seasonal changes and living things.

Zoolab is a highly regarded animal handling experience company. The Ranger's session will cover how some (small) animals adapt and survive the winter months and will also provide the children with some handy tips for caring for animals in the Winter.

We kindly request a voluntary contribution of £2 (£1.50 for a second sibling) towards the cost of the visitor. Please complete the slip below and return to school by Monday 21st November. The cost of the visit has been heavily subsidised by the class WOW day budgets which are generously provided by the PTA.

We do appreciate your support and know that your children's learning will be enhanced by this fun and memorable day.

Thank you for your support.

Yours sincerely

Clare Davis Karen Barson Louise Pugh Andrea Liddiard
