

Tuesday 14th March 2017

Dear Parents/Carers,

The team at Churchfields, the Village School have been working hard for our pupils and we are proud to see the good results of that effort reflected in the new Ofsted report. Not so long ago, a new Headteacher, the introduction of a new Curriculum and a new assessment system has brought a lot of change to our school over the past three years and the Governing Body are very pleased to see how these changes have positively impacted the education for all our children within our community. The Governing Body would like to thank everyone at Churchfields for all their hard work and continued dedication to delivering high standards of teaching. Thank you to the parents who were able to speak with the inspectors and also complete the Parent View questionnaire. Thank you to the Governing Body who worked hard to be prepared for the inspection and were available to support on the day.

The inspectors commented to us that they had enjoyed their time at Churchfields and had especially enjoyed watching the children in action, engaged in a reading task during observation in class. They commented on the lovely atmosphere at both bases and at the end of the day, it's the children's happiness and fulfilment which matters the most and we were glad to have this noticed by Ofsted!

Helen Forsyth, on behalf of Churchfields Governing Body.
