

Churchfields' Weekly Newsletter

Thursday 23 March 2017

Dear Parents/Carers

Churchfields ran what can only be described as an outstanding science week last week. Last Wednesday, children from both bases were able to come together to enjoy the multitude of practical workshops to allow them to investigate, explore and discover science for themselves.

Activities included exploring sound through water and air, rocket testing and measuring exploding canisters to name a few! The icing on the cake had to be our trip to Legoland where children were able to enjoy time on the rides as well as spend time in workshops to explore areas of science in more depth. A huge thank you to Mrs Liddiard (science leader) for her meticulous planning of the week as well as staff and parents for their amazing support.

This Tuesday evening saw Arthur, Gwion, Cammy, Daniel, Mal, Terri, Charlie, Sophie, Henry and Bess take part in a mixed tag rugby tournament with other schools in our cluster in preparation for the final inter-school competition in April. They have all been training hard during Mr Blakey and Mr Stone's after-school club and displayed excellent ball handling skills, running and teamwork at the event. A massive thank you to all involved and well done to the players for being a force to be reckoned with!

Kind regards
Simon Futcher

SCIENCE SELFIE COMPETITION

Keep your science selfies coming in!

We will accept entries up until Monday to give children a chance to spot science opportunities over the weekend.

Remember the photo can show any aspect of science in our lives it does not have to be an experiment. It could be; considering the forces used in a sport you play, how you look after your pet, the differences between you and your pet, helping in the garden, keeping fit, making a healthy snack, going on a spring walk, noticing a family likeness (genetics), changing materials by cooking, stargazing, exploring a habitat, a rock or fossil collection, or going on a bug hunt to name just a few ideas.

Winners and prizes will be awarded in Gem Learner next week (Friday 31st March).

HELP YOUR CHILD WITH MATHS

Wednesday 5 April

9:30 – 11:30am

Bradford on Avon Youth Centre

Supporting your child with maths is the focus of this workshop. Miss Ottner and other maths leaders within the cluster have been working to design this session, which will include ideas and games for KS1 to KS3.

EASTER CONCERT

Tuesday 28 April, 3:30pm, Atworth base

Next week's Easter concert will feature musicians from across the school - with pianists, ukulele players and hopefully a sneak preview of this year's PAC performance!

If there is anybody who has music lessons outside school and would like the opportunity to share their talent in an informal concert, please contact Miss Ottner.

Everyone is welcome to come and watch.

HEADTEACHER COFFEE MORNINGS

Thursday 6 April, 8:30am, Monkton Farleigh

Friday 7 April, 8:45am, Atworth

BOARD GAMES DAY

Churchfields is once again supporting the NSPCC's Big Board Game Day on the following dates:

Thursday 6th April – Atworth

Friday 7th April – Monkton Farleigh

For a donation, children can bring in a board game, to be played in the afternoon.

DIARY DATES

The school calendar has been updated with activities for terms 5 & 6 and dates for next academic year (2017/18), so please check the diary dates attached to the newsletter.

Don't forget, this information is also available on the school website.

Easter Holiday Clubs

Information on clubs for the Easter holidays is being sent out with this week's newsletter.

The information has also been uploaded onto our website and is available in our school receptions.
