

MIGHTY GIRLS CLUB MONKTON FARLEIGH APPLICATION FORM

Mighty Girls Club is for girls age 7+ on Tuesdays 3-4pm from Tuesday 12th September 2017
Our aims are:

- To promote fun, health and positivity.
- To recognise and promote care, empathy and understanding.
- To develop positive communication habits
- To develop thinking and practical skills.

Each session starts with a welcome and conversation time, where we discuss the week's topic - based on something we have read or watched. Then it's activity time to be chosen by the group themselves.

Term 1 (5 sessions) is £15.

If you are new to Mighty Girls the first session would be free of charge - try before you buy!

The club is being run by Marsha Mars, ex parent at the MF site who has been working with children and young adults as a teacher and languages activities co-ordinator.
