

Fantastic news.....

Magical Maths is coming back to Churchfields School after Christmas!!

After a bit of a break, the Professor is really looking forward to coming back!

Magical Maths is a **super fun** after school club designed to **boost children's confidence** and better **engage them with maths**.

The club runs for an hour a week after school and runs for 5 weeks and costs £7 per week (£35 for the term). Each week has a different theme and includes a dressed up character including Professor Poopenshtinken (maths genius), the Mathemagician, Stately Holmes (the maths detective) and the Olympic Mathletes!
