

HEADTEACHER'S MESSAGE

Dear Parents/Carers,

Thank you to parents of year six pupils for helping us to ensure KS2 SATs week ran without a hitch. The papers have gone to be externally marked and we will receive their results later in the summer term. In the meantime, I am sure you will join me in congratulating our year six pupils for their hard work this week. We are immensely proud of them, whatever the outcomes of the tests.

Our year two pupils are still in the middle of their SATs are also working extremely hard. These will all be completed by the end of term. A huge well done to them also!

Kind regards,

Simon Fletcher.

Good News to Share

On Saturday 12 May Jamie took his Bishop's Award/Silver Award chorister exam. During the exam he sang, talked about liturgical text, suitable anthems, Holy Days and the Eucharist.

This is not the first time Jamie has received an award, having taken his Deans award two years ago and he did even better this time around receiving a Highly Commended mark.

We are all very proud of Jamie and have been told he is the first male treble in his choir to receive the Bishops Award for quite some time. The last one is now married and a teacher and father himself!

Well Done Jamie

Whole School Trip to Barry Island – Friday 22 June 2018

You may already be aware that Key Stage One pupils are in the midst of their new topic "Hooray, let's go on holiday" which involves research and many activities about holidays now and from the past. To complement this learning and really bring the topic alive, we have arranged a full day trip to Barry Island. The day will involve sand castle competitions, beach games and many more exciting activities. For the children in Key Stage Two, we will be creating sand sculptures with a link to the Egyptians, amongst other activities.

The total cost of the trip to the school is approximately £1425. The PTA is very kindly supporting this trip through money from numerous fund-raising activities. Their donation of £1000 has enabled us to reduce our costs. We will therefore be asking parents for a voluntary contribution of £3.40 towards the day's event for each child, which can be paid through the online payment system, Parent Pay. Unfortunately, if we do not receive sufficient voluntary contributions, the trip may need to be cancelled.

Coaches will leave Monkton Farleigh at 9.00 am and Atworth by 9.15am, so it is essential that the children are at school in plenty of time that day and that we keep the surrounding roads at both bases free of as many parked cars as possible. We will leave Barry Island at 3.30pm and estimate that we will arrive back at school at around 5.30-6pm.

A letter with all of the details about this trip is included in this newsletter. Please can you complete and return the permission slip along with your contribution to the office as soon as possible.

Thank you

Parent Pay (Years 3-6)

A big thank you to all the parents from years 3-6 that have signed up already.

For those who are new to this application, it is a schools online payment system that means we are now able to take payments for school dinners. We hope to increase the service to cover school trips and swimming lessons contributions in the future.

If you have a parent pay account you are able to add funds now for the coming term. The payment item is titled 'school dinners Term 5' If you don't have an account and would like to activate one please email admin@churchfields.wilts.sch.uk and we will send you your details to create an account.

You can pay as little as £2.40 (the cost of one meal); pay for the whole term, or pay £10 (as an example) if your child has dinners on an ad hoc basis. The school office will keep a balance and will notify you once you are out of credit.

We have attached the following link to help with any questions. If this does not help please contact Hilary or Natalie in the school office.

Step up for the PTA!

The PTA would like to organise a sponsored walk in the autumn, but they need volunteers to help get things moving!

The PTA are exploring the possibility of organising a whole-school sponsored walk between the two bases of Atworth and Monkton Farleigh. This has the potential of becoming a major money-raiser for our school, as well as helping to get the youngsters (and parents/careers) outdoors and active, with a real physical challenge for them to conquer! But for this to happen we need a team, so if you would like to get involved in helping to organise and/or run this brilliant event, please contact Ian Browning on ian.browning@hotmail.com. All offers of help are welcome - it would be great to have both mums and dads on board!
