

Mental Maths skills information session for parents (whole school)

At Churchfields we run a passport system to support children in working on their mental maths skills at home. We believe that a secure and accurate knowledge of key number facts will really help children in applying maths in different contexts. Miss Ottner will be running a session for parents who would like to know more about the system and gain some ideas about maths games to try at home. This will take place on Wednesday 3rd October at 5.30pm in the Atworth hall and will last approximately half an hour.

Mathletics support Atworth Base

Dear Parents/Carers

Every Tuesday morning at 08:30 at our Atworth Base, some of the year 6 children will be running a mathletics club, which is all about teaching your children how to use mathletics. If you don't know, mathletics is an online website or app you can download. It's where your children can learn extra maths and can be a math whiz and they will have a possibility to earn a certificate. There are limited places for children available on a Tuesday, so if your child would like to come along please make sure they are at school for 08:30 and we will come and find you.

A Message from Bradford on Avon Hub – Food Parcels

Some of you may know that for the past three years, The Hub@BA15 has provided over 1000 food parcels to those in need. We know that this has been a welcome help to many families during school holidays when free school lunches are not available. We want to let everyone know that we always welcome those in need. Your details can be provided to the school; alternatively you can contact the Hub directly. We also want you to know that we are able to provide parcels during non-school holidays for the entire family, not just your child or children. Your child's school is in possession of vouchers which they can sign and you can fill out. Bringing this voucher to the Hub on Church Street in Bradford on Avon allows you to receive a food parcel tailored to your family. The Hub is open Monday through Friday from 10 to 1. Our phone number is 01225 920148 should you need any information. We are also able to help with debt advice and some welfare benefit enquiries. We have a phone and computers with printing facilities which are available for use.
