

Character Design:

Can you design the costume for your favourite book or film character? Think about how well it needs to fit the character and how it needs to adapt to their activities.

Fashion: Hats

Everybody loves a good hat, from beanies to trilbies, caps to bandanas, all have a different practical use. Can you create a hat from different recycled materials, such as cardboard or plastic containers? Maybe you could make a Lego hat!

Fashion: Jewellery

An outfit may not be complete if it is not accompanied by a piece of high-end jewellery. Design and make an item of jewellery that would work well with any outfit. Think again about using what you can find around you!

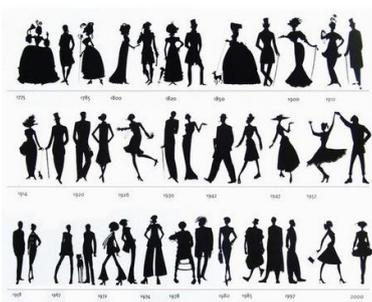

DT: Sewing skills

With your new-found skills, can you create an accessory that can go with an item of clothing? Think of a handbag, a purse, maybe a sewn scarf...there are so many possibilities.

Music:

Every good fashion show is choreographed to music. Think of a piece of pop/ rap/ classical/ garage/ hip-hop/ jazz etc, music and write about your chosen piece and why it would suit an item of clothing.

Dedicated follower of fashion!

English:

Biography of a fashion icon. Some say David Beckham has style; What do you think? Write a biography about a celebrity's fashion choices. Include pictures and your reasons for your choice.

Interview:

Fashion can change quite dramatically over the years - would you like to wear dresses from Elizabethan times? Interview a family member about their favourite item of fashion and why they couldn't live without it!

Maths:

You have £100 to spend to create a fashion outfit of your own making and choice. You must account for all your spending and create a design of your choice. Use websites, magazines and catalogues to make your outfits.

Poster:

Design a poster for a new fashion line or for a fashion show. Think bold, colourful letters and images. Be clever with word choices: can you include alliteration and onomatopoeia? Be as creative as you can!
