

HEADTEACHER'S MESSAGE

Dear Parents/Carers,

I would like to thank you for your enthusiasm towards this year's World Book Day celebration in school. The decision to focus on the substance of books, the text itself, proved to be an excellent educational experience for our pupils. They were eager to share their selected quotes with children and adults alike, and many felt inspired to go on to widen their reading horizons! Thank you to parents who wrote in or spoke to staff to share their passion for the new format, and to Miss Connelly for organising such a worthwhile day.

Kind regards,

Simon Futcher.

Parents Evening

Parents' evenings will take place on Tuesday 17th and Wednesday 25th March.

Tuesday 17 March

3:15 – 7:15pm – Monkton Farleigh

3:30 – 7:30pm – Atworth

Wednesday 25 March

3:15 – 5:45pm – Monkton Farleigh

3:30 – 6:00pm – Atworth

Please sign up for a slot on the sheets that will be available from Monday at both bases. We do encourage all parents to attend. Mr Futcher will be at the Monkton Farleigh base on Tuesday 17 March and the Atworth base on Wednesday 25 March if there is anything you would like to discuss with him.

Invitation from Mavern House Nursing Home

Churchfields have been offered a fantastic opportunity to visit Mavern House Nursing Home for a fun afternoon of Easter art activities and an Easter egg hunt within the lovely garden at Mavern House. This opportunity is available for ten children, across the school. If your child would like to take part they can write a short note to Miss Davis explaining why they would like to attend. If we have more than ten children interested we will put the names into a draw. The notes can be handed in to either the class teacher or office and all entries need to be in by Friday the 14th of March.

SCIENCE FAIR Year 6 Science

Fair!

The year six pupils at Atworth have been busily preparing some hands on activities to share with parents and pupils from both bases at a mini science fair after school on **Thursday 12 March at the Atworth Base hall 3-4 pm**. Please do come along to support them and try out some fun activities whilst learning some science at the same time.

We will also have the RMS Microscopes out for people to use too.

Enrichment courses at Braeside Education Centre in Devizes.

We have just received a brochure for the latest enrichment courses available at Braeside Education Centre in Devizes. These courses are designed for children in Y2 - 6 who show a particular talent in a subject and cover numeracy, literacy, outdoor education and science. Courses run during the day - some on weekdays, some at weekends. Courses cost £60. Children who have attended these courses before have really enjoyed them, and return to school buzzing, happy to share their new knowledge.

If you and your child would be interested in attending one of these courses, please talk to either your child's class teacher, or to Mrs Genner (More Able Lead) who will be happy to give further details.

Save the Dates!

Our wonderful PTA have some great activities planned during the remainder of the school year, please save these dates and look out for more information nearer the time.
