

Dear Parents/Carers,

We are scheduling meet times so that we can see the class as a whole. This is not a live teaching lesson; it is a class 'get together'. Teachers may choose to do a quiz, read a story or have a question-and-answer session.

The timetable for the meets are:

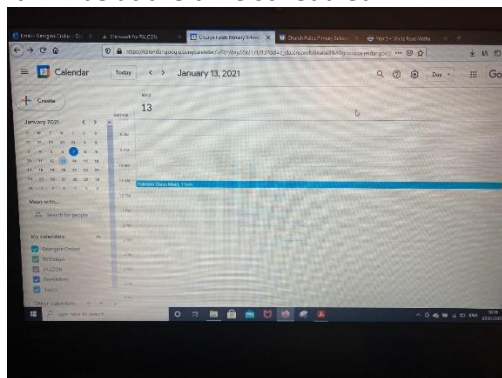

Class	Monday	Tuesday	Wednesday	Thursday	Friday
Robins	2:30			2:30	
Falcons			11:00		11:00
Kestrels	10:30				10:30
Nightingales		11:00		2:30	
Woodpeckers		2:30	2:30		
Kingfishers		1:15		1:15	

The teachers will send out an invite that will come to the to the calendar that is within the 'Classwork' section.

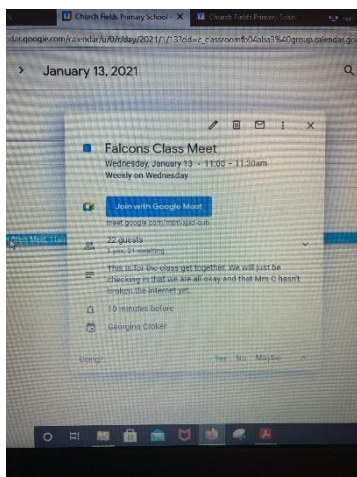

Go into Google Calendar

It will be at the time scheduled:

Then click on the link and it will come up with a box, all you then need to do is click on the 'Join Google Meet'.

Once the teachers start the session, then the children will be able to join.
