

HEADTEACHER'S MESSAGE

Dear Parent/Carer,

I can confirm that it has been an exciting week in and out of school. Children in Kingfisher class have been getting to grips with the Bee-Bots. They have done an excellent job and I can confidently say we have some budding programmers on our hands!

Our year five and six pupils are returning home today from an extremely busy and eventful three days at Kilve Court in Somerset. The children have taken part in a multitude of activities to enhance their team-working skills which they enjoyed immensely. The instructors and other staff at the centre frequently commented on the exceptional behaviour of the children. They have been a credit to the school and their parents, and must be applauded. A massive thanks to Miss Ottner, Mrs Pugh, Mrs Wooster and Millie Pugh for giving their time to support the trip, keeping the children safe, and helping them make the most of their time away from home. Thanks also to all the staff who remained at school to keep everything running smoothly. Please see our Facebook page for a selection of photographs that are available to view from the visit.

Have a lovely weekend.

Kind regards,

Simon Fletcher.

This week Kingfishers have really impressed Mrs Genner with their use of directions and positional language. They have worked so hard and as a result have made the Beebots work even harder following all of their instructions! Well done sweethearts. Great work!

Save the Date

Sunday 04 July 10am - 2pm

Table top sale with many toys, games, books and 'preloved' school uniform.

Ice lollies available as refreshment

Location Churchfields Atworth Base

Please contact Emma Bennett at

smilesdavies@gmail.com

With the onset of summer we are really pleased to see our children taking the opportunity to cycle or scoot to school. The drop off and pick up times can be quite busy however, so please can you remind your children to be careful on the route to school especially where there are pedestrians and cars

Term 6
