

Welcome to the first newsletter of term one. We hope everyone has enjoyed the first full week of term, we have!

We know we have shared lots of messages with you since the term began, and thank you all for your support and understanding as we start this year's school journey.

Mathletics

We had absolutely fabulous work from some brilliant mathematicians during the summer break with over 60

certificates earned. We are super impressed with those who kept up their maths over the holidays.

GOLD: Ethan

SILVER: Alex C, Ethan, Josiah, Alexis, Maddox, Lauren, Leighton, Livinia, Eloise, George R

BRONZE: Sam B, Theo, Alex C (x2), Ethan (x3), Josiah (x3), Alexis (x6), Maddox (x6), Hannah, Henry H, Oliver H, Lauren (x2), Tomas, Leighton (x6), Livinia (x6), Eloise (x3), Tallulah, George R (x6), Imogen W

This has been followed by a golden start to our Mathletics year with two gold certificates! Well done Alexis and George - there's a lot of hard work that goes into earning the ultimate award. We are really proud of all our mathematical minds.

For those who are new on their Mathletics journey, or have good resolutions for the new school year, you should find your Mathletics login in your home-school book. It takes about half an hour over a week to earn a certificate and we celebrate everyone's achievements each week, with gold and silver certificates being presented in Gem Learner assemblies.

Book Week 27th - 1st October 2021

We are counting down the days until Book Week 2021 and all the teachers are busy planning lots of fun activities based around our theme of 'Around the World in 80 books'!

Here is all the information you need to know:

Wednesday 29th September - Bedtime Stories

6-7pm (both bases)

All children are invited back into school, wrapped up in their pyjamas, slippers and dressing gown to enjoy a bedtime story read by their teachers and enjoy a hot chocolate kindly supplied by our wonderful PTA! We kindly request parents drop off and collect children at the end of the session.

Thursday 30th September - book character dress up day

Come to school dressed as your favourite book character!

Friday 1st October - share a story session

AT: from 2:30

MF: from 2:15

If you would like to come into school with your favourite book and read with a group of children, please let your child's class teacher know!

Scholastic Book Fair - both bases every day

AT: from 8:30am and 3:15pm

MF: from 8:15am and 3pm

We will have an amazing selection of brand-new books available to buy at both bases. The more we raise, the more money the school will get in return to spend on new books. See the selection available online <https://bookfairs.scholastic.co.uk/bookcases>

One of the best things about being in Kestrels is the chance to have a Puffin Pal! Years 5 and 6 have been helping out by listening to readers in Kingfishers this week. They have loved the responsibility of looking after younger children and Kingfishers enjoyed reading to them and sharing stories together.

Message from the School Pool Committee

Dear parents/carers and children,

We would like to say a huge thank you to everyone who participated in the Churchfields navigates the world over the summer break! I can't wait to see how far we have all managed to travel together.

Please could everyone who has taken part hand in their sponsor forms and money by **Friday 17th September**.

Once we have received the forms we can plot our journey across the world.

I would also like to say thank you to the Atworth artisan market hosted at the White hart for kindly donating the entrance fee from the market to the school pool fund from their August market and thank you to the volunteers who helped shake the bucket. We received a total of £186.00 towards our school pool.

Once again thank you from myself and the rest of the pool team to everyone who has donated and continues to donate to our lovely but needy school pool.
