

HEADTEACHER'S MESSAGE

Dear Parent/Carer,

The term seems to be moving along at pace now. Key Stage One held their Wow! Day this week and it was delightful to see the different costumes children came to school in. Our thanks to parents for supporting this. Key Stage Two are looking forward to their upcoming trip also. Our PTA have assured us that trip funding for both Key Stages will even out across the academic year to ensure fairness for all.

In an effort to be more informative and transparent to parents and other members of the school community, we have updated our website with key documents that may interest you. Our [curriculum](#) page now includes information on how knowledge and skills teaching progresses as children move through the school, as well as this year's curriculum map. We have also increased the number of curriculum-based [policies](#) we have shared to complement this information, as well as others you may be interested in. Parents continue to be welcome to view our spending plans and previous evaluations relating to [Pupil Premium](#), [Sports Premium](#) and [Catch-Up Premium](#), as well as our over-arching self-evaluation and School Development Plan documents which are located on our [performance](#) page. Please do explore the other content on our website and let us know if you have any suggestions on how it might be improved or any additional information that would be useful.

Kind regards,

Simon Fletcher.

We have moved Dress up day to Friday 01st October

Scholastic Book Fair - both bases every day

AT: from 8:30am and 3:15pm

MF: from 8:15am and 3pm

Volunteers needed please

If you are able to help with the sale at either base during the week please can you let your child's teacher know.

We will have an amazing selection of brand-new books available to buy at both bases. The more we raise, the more money the school will get in return to spend on new books. See the selection available online <https://bookfairs.scholastic.co.uk/bookcases>

Wednesday 29th September - Bedtime Stories

6-7pm (both bases)

All children are invited back into school, wrapped up in their pyjamas, slippers and dressing gown to enjoy a bedtime story read by their teachers and enjoy a hot chocolate kindly supplied by our wonderful PTA! We kindly request parents drop off and collect children at the end of the session.

Friday 1st October - share a story session

AT: from 2:30

MF: from 2:15

If you would like to come into school with your favourite book and read with a group of children, please let your child's class teacher know!

KESTRELS are immersing themselves in the world of Roald Dahl during their English lessons and are taking the opportunity to read and re-read as many of his books as possible. Our writing is inspired by his characters and on Wednesday we imagined ourselves meeting Danny, Champion of the World and exploring his world with him. After a busy day of den building, tree climbing, fishing and building stuff, we returned home to the caravan and a fire and a mug of hot chocolate.

On the 16th September, Key stage one were treated to a wonderful visit from Chris Brown and his amazing, Mr Browns pig puppet Theatre Company. The children and staff were enthralled by an incredibly funny puppet show including the characters Farmer Giles and a dog with a bladder weakness that put a smile on every ones faces!

After the wonderful performance Chris showed us all of his puppets and props and gave us some very handy hints on how to make our own puppets using lots of different materials. We are so privileged to have had our visitor in school and wow us with what he does so brilliantly. A massive thank you to the parents and PTA for contributing towards the cost

An information leaflet for the Public

The project and why

40 million people are estimated to be trapped in modern slavery worldwide:

- 1 in 4 of them are children.
- Almost three quarters (71%) are women and girls.
- Over 10,000 were identified as potential victims by the authorities in the UK in 2019.

*There is a significant problem with County Lines across Dorset and Wiltshire.
Something must change.*

How you can get involved

- Use the various resources to explore County Lines and other forms of modern slavery to raise awareness of the dangers with your family and friends.
- Know who to contact if a crime is being committed (see the Salisbury Diocese for more details (see below).
- Visit the Young People's Art Exhibition in the Cloister area of Salisbury Cathedral.
- Attend some of the virtual guest speaker sessions. Please see the information below.
- Form community action groups with your local school staff and governors, the PTFA, church community, youth groups, local businesses, foodbanks and other organisations.

Guest speakers

We have a range of guest speakers who are talking about various forms of modern slavery.

Date	Time	Guest speaker	Focus of talk
Sunday 17 th October	5:30pm – 6:30pm	Shayne Tyler - Group Compliance Director Fresca Group	The session will further raise awareness of the increasing risks in society and explain how the exploitation model happens in practice.
