Churchfields the Village School PE Overview 2021 -2022

Swimming in Key Stage Two:

This is a National Curriculum legal requirement, as a school, we have been restricted by current Covid-19 regulations and changes to pool management. We are very much aware of the fact that children should be able to swim 25m and have life saving skills taught to them by the end of Year 6. We are awaiting updates regularly regarding this and the curriculum map will reflect this.
