Falcons Swimming

After spending this term swimming, we are immensely proud of all Falcons. There has not been a week where the children haven't all given 100% to these lessons. Yesterday, their last session, they completed assessments in the water which included swimming techniques and water safety. What an Amazing bunch of swimmers we have.

Well done Falcons!

NIGHTINGALES AND KESTRELS had a visitor from Wessex Water on Tuesday. Mrs Smith explained all about the work that they do to provide us with drinking water and to clean up or waste water, and how this waste water is 'discharged' and 'abstracted' from rivers. They also carried out a biodegradability experiment. We won't give too much away, as she's visiting Falcons next week.

Children's Mental Health Week

At Churchfields this week we have been celebrating and raising awareness of children's mental health under the theme of 'Growing Together'. We have explored how we grow and change physically and emotionally and how we look after our mental health. The children have been thinking about their future goals, who supports and helps them and how we celebrate our emotions.

WOODPECKER CLASS were very excited to have a visit from a very cute member of the Reilly family! Say hello to Jack

World Book Day 2022 - Thursday 3rd March
