

HEADTEACHER'S MESSAGE

Dear Parent/Carer,

Now that COVID-19 restrictions have lifted, we are pleased to be able to return to face to face parents' evening appointments this term. They are running on Tuesday 22nd and Thursday 24th March.

As the online system is no longer available, sign-up sheets are now available for you to choose an appointment at drop-off or pick-up. They will be available until 17th March. If you are unable to come to school to use these, please contact the ladies in the school office who will be happy to help.

We politely request that you wear a mask whilst moving around the school for everyone's safety, and use social distancing whilst waiting and in the meeting itself. Thank you for your support with this.

We encourage all parents/carers to attend. During the meeting, you will be provided with details of your child's progress across the curriculum, any targets they may have and how you can best support them at home. I will be available at the Monkton Farleigh base on Tuesday 22nd, and the Atworth base on Thursday 24th if you would like to speak with me for any reason.

We look forward to seeing you.

Kind regards,

Simon Fatcher.

Mathletics

Gold certificates for Puffins are very rare and very special, so huge congratulations to Hector G,

who has obviously been working really hard for months now to earn the highest award.

Excellent work too, from a number of other mathletes, with nearly every class in the school represented. Keep up the good work!

Gold : Hector G

Silver : Alexis, Hector G, Georgie

Bronze : Oliver CJ, Olivia, Ethan, Josiah, Alexis, Maddox, Hector G, Oliver H, Isla, Georgie, Leighton, Livinia, Ted L, Vinnie, Violet, Ryley, Joseph, George R, Isabella R, Kaya

Wow! This has to be the biggest piece of home learning ever sent into school. Brilliant sharing from Betsy and discussion about all the rivers she has visited in the UK. Fantastic effort and so useful for our Geography learning. Well done Betsy.

British
Science
Week
2022

Wow! Science Week seems to have come around quickly! This year we are planning for all the children to be at Atworth for a day of workshops with the teachers on Tuesday next week. We have chosen the theme of Science Stories and hope to share stories of scientists as well as lovely fiction books that inspire our scientific thinking.

We have a competition for the children to enter (details attached to this newsletter) and of course some lovely science prizes too!

Look out for lots of lovely pictures of the events from throughout the week.

Looking forward to lots of scientific fun and discovery!

Mrs Liddiard

Atworth & Monkton Farleigh

Contacting school in the afternoons

The school Admin office closes at 1:30 every day and we understand that sometimes you may need to contact school urgently regarding your child after this time. If you do need to contact the school after 1:30pm, e.g. to tell us there's a change in who is collecting your child after school or travel problems; please e-mail

awreception@churchfields.wilts.sch.uk for Atworth pupils

Or

mfreception@churchfields.wilts.sch.uk for Monkton Farleigh pupils.

Both of these email boxes are monitored and your message will be picked up.

Thank you

**COMIC
RELIEF**

You can make a difference.
You have the power to change lives.

FRIDAY 18 MARCH DONATE TO DRESS UP

At Churchfields' we are joining schools across the UK in a dressing-up day to remember – whether it's as Superman, Wonder Woman, a superhero of your own creation, or a local hero in your community.

Just pay a small fee and dress to impress. We are suggesting a donation of 50p on the day.

You can choose to get Red Nose Day ready by creating your own outfit; accessorise by visiting the on-line shop

<https://shop.comicrelief.com/> or check out what's on offer at Sainsbury's or TKMAXX.

Go big or small; whatever you chose to do to be dress-up ready for the day we hope you'll join us in supporting this Red Nose Day on Friday 18 March.

Department for Education Notice

Information for parents and carers on COVID-19 vaccination for at risk 5 to 11 year olds

Children aged 5 to 11 years who are in a clinical risk group or who live with someone who is immunosuppressed can get the COVID-19 vaccine, in line with advice set out by the [Joint Committee on Vaccination and Immunisation \(JCVI\)](#). Eligible children include those with diabetes, immunosuppression, learning disabilities, and other conditions as outlined by the [UK Health Security Agency \(UKHSA\) in the Green Book](#).

Vaccinations help to increase protection against COVID-19, which is particularly important for those with underlying health conditions.

Further information is available in the [guide for parents of children aged 5 to 11 years](#) published by UKHSA. We have published some [frequently asked questions](#) on the vaccination programme including information on eligibility, accessibility and advice for parents of children at high risk from COVID-19. Following [advice](#) from the JCVI, healthy 5 to 11 year old children will also be offered two 10 microgram doses of the COVID-19 vaccine. The NHS will prepare to extend this non-urgent offer to all children during April.
