

Dear Parent/Carer,

I hope all our families had a restful half term break from school. It is wonderful to see children returning to school revitalised.

Term two is always extremely busy in the lead up to Christmas. Seasonal events, such as performances, are magical times for our pupils and significantly enrich their education and school experience. We always aim to be prompt and concise in our communications with families to inform you of any key dates, events or changes to published schedules. Please do look out for any important information in this newsletter or via emails as this term gets underway.

Thank you in advance for your ongoing support.

Kind regards,

Simon Fletcher.

Mathletics

We've had some hard-working mathletes over the half term holidays. A particular well done to the

12 pupils who managed to achieve 2 certificates in this period - consistency is the key to high achievement. We now have a few mathletes poised on the edge of glory, ready to claim the first gold certificates of the year over the course of this week. Well done to everyone who's taken part.

**Winner of The Queen's
Award for Voluntary
Service 2020**

At any given time up to 40% of adults and 50% of children (this rises to 80% with a SEND diagnosis) have difficulties with their sleep. Yet in a recent survey, almost 60% of adults felt there was a lack of support for sleep issues. Sleep problems can leave people feeling isolated and lonely.

Our free helpline is run by trained sleep advisors, many of whom are specialists in working with SEND. We can talk to young people directly, or parents (we can also talk to adults, including older people, about their sleep issues).

The helpline is open 5 times a week, Monday, Tuesday, Thursday evenings 7-9pm, and Monday, Wednesday mornings 9-11am. The number is 03303 530 541.
