

Dear Parent/Carer,

Thank you to all the children, staff and parents for the warm welcome you have given Hollie and I this week. We have thoroughly enjoyed popping into classes, meeting the children and seeing all the amazing learning going on. It has been lovely to see the sunshine finally too! If I haven't yet met you, do say hello – I will often be around outside at the beginning of the day whichever site I am on.

Thank you

Mrs H Saunders

It's been a really productive holiday for many of our mathletes with some children gaining the maximum four certificates since our last update! Huge congratulations to everyone on our list - I bet

you came back to school today with your maths brains switched on and ready to go! If you would like to see your name up on the list for everyone to celebrate then all you have to do is to log on to mathletics and earn 1000 points within a week.

Congratulations to Florence and Jazmyn who entered the official British Science Week poster competition- we wait to see the outcome of that soon. Fingers crossed.

We also wait to see if the school entries to the Baylab, 'Design a Lab Coat' competition entries are successful.

Finally, huge thanks to the PTA, staff, children and parents for your enthusiasm and hard work that made Churchfields STEM week such a huge success. The gigantic marble run will always remain a fond and awesome memory!
