Dear Parent/Carer

Another busy week! The Y6s had a lovely leaver's service on Monday in Salisbury – the children were all incredible and behaved beautifully.

The KS1 dance festival looked amazing! Well done to everyone who participated, I'm glad you enjoyed it.

And we've had film nights at both bases now, which the children have really enjoyed!

I want to say a huge thank you to all of the staff who have put in extra hours before and after school to plan these activities and participate in them. We have a lot of extra activities like these that happen all the time at Churchfields and we are so lucky to have such an amazing group of staff who are willing to go that extra mile all the time to ensure that our pupils access creative and exciting activities throughout the year – thank you.

Best wishes,

Heather

Woodpecker class were so excited to perform at The Bath Forum on Wednesday. They danced their socks off and made Mrs Pugh so proud.

Mathletics

Another healthy crop of mathletics certificates, and I'm looking at the year to date. Every class is on track to receive an average of 10 certificates

per child, but Nightingales and Kestrels are vying for the leadership with just under and just over 13 certificates each... I wonder who will be in the lead at the end of the year. Nightingales - I think it is mathematically possible for you to earn 500 certificates as a class this year - that's my challenge for you!

The New Maudsley Method
Skills Workshops for anyone Caring for a Loved One with an Eating Disorder – Online

The workshops provide outstanding support for carers. I feel much better equipped to play a constructive role in my son's recovery.

GH009 Course Dates - this is a **FREE** course where ideally participants would attend all 5 sessions because if they can.

- Thursday 27 June - 10am - 12pm
- Thursday 27 June - 2pm - 4pm
- Wednesday 3 July - 10am - 12pm
- Wednesday 3 July - 2pm - 4pm
- Thursday 18 July - 10am - 12pm

Caring for a loved one with an eating disorder can be exhausting, distressing and disorientating. Many carers feel they are drowning, they have tried everything and don't know where to turn next. Well put on your oxygen mask and immerse yourself in these workshops based on the New Maudsley approach which has helped so many families to navigate their way through a seemingly impossible task. These workshops are full of practical tips, real life scenarios and case studies and are designed to help carers develop self-reflective skills in order to role model confidence, compassion and courage to take risks, and on how to experiment with changing their own behaviour so they can be more helpful to their Loved One.

These skills workshops offer professional techniques for becoming a 'Change Coach' for your loved one, including:

- Dealing with challenging behaviour
- Specialised communication skills
- Avoiding traps that may maintain the disorder
- Supporting recovery

To book on to this course, please email Gemma Howard at gemma.howard@charliewaller.org and quote GH009 in the subject line.
